Final Notes

1. Please report all scores via text to Walter van Halst at (778) 855-9937 immediately after your game so that we can get the scores on the website promptly for all coaches.
2. Please email your game report to Howard Tsumura of Varsity Letters at howardtsumura@gmail.com by 8 pm, Sunday night, April 5th so that he can prepare the BC High School Rugby Report, which has a special focus on the Stadium Series. Your game summary should include the score, the point scorers from both teams and a brief description of the match from both coaches. Our sport deserves proper coverage and after so many years of lagging behind other sports, this man has made it happen for all of us and especially, our players.
3. Stadium Series Fees are still unchanged after 5 years at \$ 75 per game. A reminder, coaches, you don't need to bring this with you as we will invoice at the time of the Provincial Championships.
4. To help cover our costs, teams are reminded that Admission at Swangard Stadium is only \$ 10 per adult and \$ 5 per student. There is no charge at the other venues and coaches, please communicate with parents to help take BC Boys High School Rugby to a higher level. Thank you.
